\* MREC: Medical Research Ethics Committee (Dutch: METC)

\*\* Medical Research Involving Human Subjects Act: Dutch WMO

When amendments are placed on the agenda of a chamber meeting (instead of being assessed by the Executive Committee), a fee for review of a new submission may be charged.

Resubmission reduction 50%. This means the resubmission of the (entire) file following a previous withdrawal or negative decision. It does not refer to the assessment of the response and/or amended or additional documents in an ongoing review

Effective as of 01-01-2024
