

WHICH EVA IBBOTSON WITCH are you?

You'd prefer to learn magic

at a magic school

picking your own magic path

Would you rather be able to ...

The trick you'd most like to learn is ...

turn people into animals

be friends with animals

create a hole with no bottom

a move to fight ogres

You'd use your magic to ...

You really want to ...

make trouble

have an adventure

stop trouble makers

be part of a powerful coven

Madame Olympia
From *Which Witch?*

An enchantress with an aardvark familiar, you have the skills and powers to complete the most impressive dark magic spells in London.

The Hag
From *Ogre of Oglefort*

A Hag is a sort of a witch, due to their magical powers. That means you're powerful, kind and heading on an adventure to save a princess with your loyal human familiar.

Hecate Tenbury Smith
From *Not Just a Witch*

Using your knuckle of power, you have the ability to turn anyone into the animal of your choosing – although you set your sights on troublemakers to teach them a lesson!

Belladonna
From *Which Witch?*

You're a white witch, which means birds love to make their nests in your hair and you're unbeaten with your illness-curing magic skills and ability to grow flowers wherever you walk.
